# PRIME MOVING SOFTWARE

**U**nited Software Solutions, Inc. was founded in 2001 with the sole purpose of providing evolutionary means to set the new standards in the management and operations for the Moving industry. We offer a unique blend of advanced technology and over 25 years of experience in owning and operating moving and storage companies. This unparalleled mix provided us with the insight and the deep understanding of the intricate components that make up the moving industry. For the past few years we have been successfully implemented in multiple locations, covering both large and small organizations!

- **Moving & Storage Software**
- **Fine Art Packing & Crating Solutions**
- **Custom Software & Web Design**

# ■ Moving & Storage

## 1. Marketing / Sales
